Do Not Fear God's Plans

Luke 1:26-38

Mary was a girl in Nazareth minding her own business. That was until the angel Gabriel appeared to her with a heavenly message. At that moment, God interrupted her plans. God had a new plan for Mary's life. One that would be both inconvenient and unconventional. Mary did not fear God's plan, rather she submitted herself to His plan. Neither do we need to fear God's plans.
